Mālama o Nā Keiki - CARING FOR THE HEALTH OF HAWAII’I’S KEIKI TO KUPUNA

educates, services and advocates about holistic care for birth to supporting a family’s end-of-life care plan, especially for medically fragile babies. We apply professional expertise, evidence-based tools, collaborative resources and cultural principles to provide best practice information toward building healthier families and communities.

Decades of expertise include:

- Neonatal/Pediatric Intensive Care
- Plastic Reconstructive Surgery
- Hospice and Palliative Care
- Operating Room and Post Op Recovery
- Early Childhood Health Consultant
- Infectious Diseases
- Reproductive Health
- Make-A-Wish Foundation
- Military family support
- Non profit organizational expertise

Mālama o Nā Keiki’s TeaMālama includes active, licensed, professionals with diverse expertise. Partnerships also extend their resources to enhance support of a family. We strive to give these littlest angels the best advantages to living healthier, happier and legacy-driven lives, no matter their circumstances.

Kaitlyn @ 8 y.o.
